

Family Violence Training Program: Pre-Course Evaluation Questionnaire

To help us evaluate if our training is effective in these key areas, please complete the following self-assessment of your skills and knowledge **before the course begins**:

How would you rate your...	(Circle)		
...understanding and awareness of <i>issues relating to family violence</i> ?	Limited	Good enough	Excellent
...understanding of <i>your professional role</i> in relation to family violence?	Limited	Good enough	Excellent
... <i>skills for responding</i> to clients who are living with family violence	Limited	Good enough	Excellent
... <i>skills for responding collaboratively</i> to clients who are living with family violence	Limited	Good enough	Excellent
... <i>skills for conducting a risk assessment</i> in relation to family violence	Limited	Good enough	Excellent
... <i>skills for responding to safety issues</i> of clients who are living with family violence	Limited	Good enough	Excellent

At this stage what changes do you think might need to be made in your work setting so that you can respond effectively to clients who are living with family and domestic violence?
